1. Introduction

The [Access to Information Act](#) provides members of the public and corporations with the legislated right, subject to certain limited and specific exceptions, to access federal government records. The *Act* complements other methods for obtaining government information, and does not limit in any way the access to government information that is normally available to the public upon request.

This annual report on the administration of the *Access to Information Act* describes how Veterans Affairs Canada (VAC) and the Office of the Veterans Ombudsman (OVO) fulfilled their responsibilities under the *Access to Information Act* during the fiscal year April 1, 2014 to March 31, 2015.

2. Preparation and Tabling of the Annual Report

In accordance with section 72 of the *Access to Information Act*, the Minister of Veterans Affairs, as head of the institution, is required to prepare an annual report on the administration of the *Act*, and this report is to be tabled in Parliament.

3. Mandate of Veterans Affairs Canada

Canada's development as an independent country with a unique identity stems partly from its proud military achievements. Veterans Affairs Canada exists to help those whose courageous efforts gave us this legacy and contributed to Canada's growth as a nation.

VAC's mandate is set out in the [Department of Veterans Affairs Act](#). It charges the Minister of Veterans Affairs with responsibility for "the care, treatment or re-establishment in civil life of any person who served in the Canadian Forces or Merchant Navy or in the naval, army, air forces or merchant navies of Her Majesty, of any person who has otherwise engaged in pursuits relating to war, and of any other person designated . . . and the care of the dependents or survivors of any person referred to." Veterans Affairs Canada is also responsible for keeping alive the achievements and sacrifices of those who served Canada in times of war, military conflict and peace.

Responsibilities

VAC achieves its mandate by providing services and benefits that respond to the needs of Veterans, other individuals and their families. The Department has three main roles:

- **Provider** of disability compensation and financial support: Veterans Affairs Canada administers programs which recognize and compensate for the disabling effects of service-related disabilities. The Department also provides financial support and assistance when career-ending or service-related disabilities affect one's ability to earn an income.

- **Funder** for health care and re-establishment services: The Department works with multiple levels of government to ensure access to health programs that enhance the well-being of Veterans and other eligible individuals and promote independence. The Department also provides financial support to Veterans and their families to ease their transition to civilian life.
- **Catalyst** for national and international remembrance: The Department keeps alive the achievements and sacrifices of those who served Canada in times of war, military conflict and peace, and promotes the importance of these efforts for Canadian life as it is today. Veterans Affairs Canada fosters remembrance of the contributions made by Canada's war dead and Veterans, and maintains and operates 14 memorial sites in Europe.

4. Mandate of the Office of the Veterans Ombudsman

The Office of the Veterans Ombudsman helps ensure that the sacrifices of Canada's Veterans and their families are recognized through the provision of services, benefits, and support in a fair, accessible, and timely manner. As an impartial and independent officer, the Veterans Ombudsman reports directly to the Minister of Veterans Affairs and works to ensure that Veterans, men and women of the Canadian Armed Forces (CAF), members and former members of the Royal Canadian Mounted Police (RCMP), as well as their families and other individuals that are clients of VAC are treated fairly and in accordance with the [Veterans Bill of Rights](#). The mandate of the Ombudsman, found in the [Order-in-Council P.C. 2007-530](#), is to:

- Review and address complaints by Veterans and other individuals served (by VAC) and their representatives arising from the application of the provisions of the *Veterans Bill of Rights*;
- Identify and review emerging and systemic issues related to programs and services provided or administered by the Department or by third parties on the Department's behalf that impact negatively on Veterans and other individuals served (by VAC);
- Review and address complaints by Veterans and other individuals served (by VAC) and their representatives related to programs and services provided or administered by the Department or by third parties on the Department's behalf, including individual decisions related to the programs and services for which there is no right of appeal to the Veterans Review and Appeal Board;
- Review systemic issues related to the Veterans Review and Appeal Board; and
- Facilitate access by stakeholders to programs and services by providing them with information and referrals.

5. Organization

I Veterans Affairs Canada's Access to Information and Privacy Office

The VAC Access to Information and Privacy (ATIP) Coordinator acts on behalf of the Minister of Veterans Affairs and the Deputy Minister to ensure that the Department's responsibilities under the *Access to Information Act* and the *Privacy Act* are met. The ATIP Coordinator reports directly to the Assistant Deputy Minister, Human Resources and Corporate Services Branch.

The main activities of VAC's ATIP Office consist of the following:

- Processing requests for information submitted under the *Access to Information Act* and the *Privacy Act*;
- Developing policies, procedures and guidelines in support of Access to Information and Privacy legislation and central agency requirements;
- Promoting awareness of both acts to ensure employees understand their roles and responsibilities;
- Monitoring compliance with both acts and central agency requirements;
- Preparing annual reports to Parliament;
- Coordinating Privacy Impact Assessments (PIAs);
- Coordinating the resolution of any complaints against VAC which have been submitted to the Information Commissioner under the *Access to Information Act* and to the Privacy Commissioner under the *Privacy Act*;
- Providing centralized management of privacy breaches;
- Providing VAC staff with advice and guidance on ATIP issues;
- Providing support and recommendations to the Department's Chief Privacy Officer and the Corporate Management Committee (CMC) and
- Supporting VAC in meeting its commitments to openness and transparency through proactive disclosure of information and the release of information via informal avenues.

Processing of access to information and privacy requests is centralized within the ATIP Office in Charlottetown, Prince Edward Island. The ATIP Office has two units: an Operations team and a Policy and Governance team. In 2014–2015, the VAC ATIP Coordinator's Office employed a total of 34.48 full-time equivalents (FTEs).

The ATIP Coordinator's Office supports and maintains a network of 23 ATIP Liaison Officers (22 Liaison Officers in the Charlottetown Head Office and one representing the Regions). The Liaison Officers are responsible for retrieving information from their areas when a request is received, and identifying information which may qualify for an exemption under the acts.

II Office of the Veterans Ombudsman Access to Information and Privacy Unit

The Veterans Ombudsman, Deputy Ombudsman and Executive Director, Operations (formerly Director General of Operation in Delegation Order in Annex 1), Legal Advisor and Director, Corporate Services and Charlottetown Operations have full authority for the OVO to exercise the powers, duties, and functions of the Minister as the Head of Veterans Affairs under the provisions of the *Acts* and related regulations (see Annex 1). Although four positions have been delegated full authority, the Veterans Ombudsman has been identified as the senior-most official within the OVO responsible for Access to Information and Privacy. The Director, Corporate Services and Charlottetown Operations, is responsible for operational management of the Access to Information and Privacy functions within the OVO.

The OVO's Access to Information and Privacy Unit in Charlottetown, Prince Edward Island ensures that the Office's responsibilities under both Acts are met. Processing of requests is centralized within the unit. The unit consists of the Director, Corporate Services and Charlottetown Operations, ATIP Coordinator and a Liaison Officer. The Legal Advisor is also responsible for the final review and release of information to the Requestor. These four full-time staff members were assigned to the administration of both Acts on a part-time (as required) basis during the 2014–2015 reporting period, which represents 0.28 of a person year.

The main activities of the OVO ATIP unit include:

- Timely completion of requests for information under the *Access to Information Act* and the *Privacy Act* in compliance with ATIP legislation, regulations and Treasury Board Secretariat policy instruments;
- Developing and maintaining OVO policies, procedures, guidelines, and processes in support of Access to Information and Privacy legislation and central agency requirements;
- Promoting awareness of both *Acts* within the OVO to ensure that employees understand their roles and responsibilities;
- Monitoring OVO compliance with both *Acts* and central agency requirements;
- Preparing and providing information specific to the OVO to VAC for inclusion in annual reports to Parliament;
- Completing and coordinating the completion of Privacy Impact Assessments (PIAs) for the OVO;
- Coordinating the resolution of any complaints against OVO which have been submitted to the Information Commissioner under the *Access to Information Act* and to the Privacy Commissioner under the *Privacy Act*;
- Providing centralized management of privacy breaches within the OVO;
- Providing advice and guidance to OVO staff on ATIP issues; and
- Supporting the OVO in meeting its commitments to openness and transparency through proactive disclosure of information and the release of information via informal avenues.

6. Delegation Order

The responsibilities associated with the administration of the *Access to Information Act* are delegated to departmental officials and OVO officials through a delegation order signed by the Minister of Veterans Affairs (attached as Annex 1).

7. Interpretation of the Statistical Report on the *Access to Information Act*

The following summary provides an interpretation of statistical data on the administration of the *Access to Information Act* at VAC and the OVO between April 1, 2014, and March 31, 2015. A more detailed breakdown of processing statistics can be found in Annex 2 (VAC and OVO statistical report) and for separate interpretation specific to the OVO, Annex 3 (OVO statistical report).

Formal requests under the *Access to Information Act*

In April 2014, VAC joined several other government departments in accepting requests for information through the ATIP Online Request system. The Department has observed that an increasing number of individuals are filing requests for personal information under the *Access to Information Act* instead of the *Privacy Act*. The ATIP Office has worked with the Treasury Board Secretariat to add information about both the *Access to Information Act* and the *Privacy Act* in the ATIP Online Request system in an effort to help educate requesters. The increased use of *Access to Information Act* for these purposes has required the Department to re-allocate some of its existing resources to processing such files.

Between April 1, 2014, and March 31, 2015, the Department received 344 formal requests (343 by VAC and one by the OVO) for information under the *Access to Information Act*. This represents a 244% increase in requests received from the 2013–2014 fiscal year.

On April 1, 2014, 66 open requests were carried forward from the previous fiscal year. Combined with the 344 requests received in 2014–2015, a total of 410 requests required action (409 by VAC and one by the OVO) during the 2014–2015 fiscal year.

The Department completed 332 requests during the reporting period (332 by VAC and none by the OVO). At the end of the 2014–2015 fiscal year, 78 outstanding formal requests (77 by VAC and one by the OVO) were carried forward to the 2015–2016 fiscal year.

I Source of Requests Received

Included in the chart below are 343 requests received by VAC and one request received by the OVO during the 2014–2015 reporting period.

II Disposition of Requests Completed

In total, 332 requests were completed during the 2014–2015 fiscal year compared with 142 requests completed in the 2013–2014 reporting period (a 134% increase). The Department processed 70,618 pages (no pages processed by the OVO) and disclosed 65,843 (no pages disclosed by the OVO) in 2014–2015. In comparison, the Department processed 38,557 pages and disclosed 32,139 pages in 2013–2014. This represents a 105% increase in pages released for formal ATI requests compared with the previous year.

The following table provides further details on the disposition of 332 requests completed in 2014–2015:

There were no pages disclosed by the OVO during the 2014-2015 reporting period.

III Exemptions Cited

Canadians have a right of access to publicly held information but the *Access to Information Act* identifies specific exemptions for which the need to withhold certain information is recognized. An exemption is a provision under the *Act* that authorizes the head of the government institution to refuse to disclose records in response to an access request.

VAC invoked 266 exemptions under sections 13, 14, 16, 18, 19, 20, 21, 23, 24 and 26 of the *Access to Information Act*. The most frequently invoked provision was subsection 19(1), which is used to exempt personal information such as sensitive medical information. For statistical purposes, an exemption is counted only once when it is applied to a file multiple times.

The following table identifies the number of requests to which specific types of exemptions were applied:

IV Exclusions Cited

An exclusion is information to which the *Act* does not apply as described in sections 68 and 69 of the *Access to Information Act*. Examples include published material, material available for purchase by the public, material placed in the Library and Archives of Canada or confidences of the Queen's Privy Council for Canada. During the reporting period, VAC invoked section 68 on five occasions and section 69 was invoked on 29 occasions.

The following table identifies the number of requests to which specific types of exclusions were applied:

Exclusions cited	2012– 2013	2013– 2014	2014– 2015

V Completion Time

During the 2014-2015 reporting period, 173 formal requests (52%) were completed in 30 days or less. As illustrated in the chart below, the Department also closed 159 cases over the year which required additional time and effort to complete. The Access to Information and Privacy Office increased resources during this reporting period. As a result of the increased resources, the Department no longer has a backlog of requests.

VI Extensions

Section 9 of the *Access to Information Act* provides for the extension of the statutory time limits if: (1) consultations are necessary; or (2) the request is for a large number of records and meeting the original time limit would unreasonably interfere with the Department's operations.

During the reporting period, a total of 56 requests were extended by VAC. Of these, 28 were extended for 30 days or less, and 28 requests required an extension of 31 days or more.

The OVO did not request any extensions during the 2014–2015 reporting period.

VII Translation

VAC received one privacy request requiring translation during the 2014-2015 reporting period. In comparison, there were no privacy requests (VAC or OVO) requiring translation during the 2013-2014 reporting period.

VIII Format of Information Released

Individuals may obtain the information they have requested in three ways:

- (1) Receiving copies of the material;
- (2) Examining the information during an arranged time; or
- (3) Examining and receiving copies of the information.

In total, 332 requests were completed during the 2014-2015 fiscal year. In the 220 cases in which material was released, the requester received copies of the package. No requesters asked to view the material on-site. The remaining 112 closed cases were either abandoned (45), no records exist (48), transferred to another government institution (17), or nothing was disclosed due to exemptions or exclusions (2).

IX Fees

In accordance with section 11 of the *Access to Information Act*, the Department collected \$2,025.00 in ATI fees during the reporting period. Of the total, VAC collected \$1,560.00 for the application fee required under the *Act*. The remaining \$465.00 was collected to cover search fees, an increase of 180% (or \$299) over last fiscal year. During the same period, the Department waived fees totaling \$15.00, which is equal to the amount of fees waived in the 2013-2014 fiscal year.

X Costs

The VAC and OVO ATIP offices spent a combined total of \$ 802,577.00 to administer the *Access to Information Act* during the reporting period. The breakdown is as follows:

- (1) Staff salaries \$707,337.00;
- (2) Professional services contracts amounted to \$37,627.00; and
- (3) Other administrative costs (representing operations and maintenance expenditures) \$57,613.00.

The increased costs during the fiscal year can be linked to the investment VAC made to address the backlog of requests. As a result of this investment, the VAC ATIP office released 105% more pages and 134% more requests this year as compared with the previous fiscal year.

Please note that the costs identified in the above table pertain only to costs directly related to the ATIP Offices. They do not include time spent compiling and reviewing records for access requests in the various program areas within the Department.

XI Publication of Summaries of Completed Requests

Since September 2011, VAC has been posting summaries of completed Access to Information requests on the departmental website in accordance with Annex E of the Treasury Board Secretariat Directive on the Administration of the *Access to Information Act*: Criteria for posting summaries of completed access to information requests.

The list of summaries contains applicable completed requests since September 2011 for which documents have been retrieved or treated, or where no documents exist. The list is provided in chronological order and by request number.

VAC: <http://www.veterans.gc.ca/eng/about-us/organization/access-to-information-privacy/completed-access>

Since May 2012, the OVO has also been posting the list of summaries of completed Access to Information requests on its website.

OVO: <http://www.ombudsman-veterans.gc.ca/eng/transparency/atip/reports>

8. Other ATIP Functions

I Veterans Affairs Canada

The VAC ATIP Office provides other services in addition to handling formal requests submitted under the *Access to Information Act*. One such service is responding to informal requests. An informal request is a request for information that is not made or processed under the *Act*. Fees cannot be charged under the *Act* and there are no deadlines for responding to these requests. In addition, the requestor has no statutory right of complaint. In addition to the 332 formal requests, VAC's ATIP Office completed 214 informal ATI requests in the 2014–2015 fiscal year, which resulted in disclosing over 50,000 pages to requesters.

In addition to processing *Access to Information Act* and *Privacy Act* requests, the ATIP Office also handled a variety of requests from within the Department, including the following:

- Analysis and response to policy questions;
- Review of new forms for the collection of personal information;
- Development of appropriate Privacy Notice Statements for new forms;
- Evaluation of contracts and Memoranda of Understanding and
- Provision of support in preventing, addressing and containing potential privacy breaches.

II Office of the Veterans Ombudsman

No informal requests were processed by the Office of the Veterans Ombudsman during the 2014–2015 reporting period.

In addition to processing *Access to Information Act* and *Privacy Act* requests, the OVO ATIP Office also handled a variety of requests from within the Office, including the following:

- Analysis and response to internal access to information and privacy questions;
- Evaluation of contracts; and,
- Provision of support in preventing potential privacy breaches.

9. Consultations

During the 2014–2015 fiscal year, VAC received 59 requests for consultations from other government institutions or other organizations involving VAC records or issues. Of the 59 consultations requiring action in 2014–2015, 55 were completed and four were carried over to the 2015-2016 fiscal year.

This year, the OVO began to report on consultations received from the VAC ATIP Office. During the 2014-2015 reporting period, the OVO received and completed three requests for consultation from the VAC ATIP Office.

10. Training and Awareness

During this fiscal year, departmental staff received ATIP-related training through a variety of mediums. Over the course of the year, privacy training was delivered to 756 participants.

Integrated Security / ATIP Training

VAC's mandatory Security Orientation Training, offered to all employees upon entering the organization and then at periodic intervals, highlights

- the Need-to-Know principle;
- the concept of privacy breaches;
- the rules regarding accessing information;
- disciplinary actions resulting from accessing personal information without authorization; and
- a general overview of ATIP legislation and fundamentals.

During the reporting period, a total of 698 participants attended 148 training sessions.

Manager and Supervisor Orientation Program (MSOP)

The VAC ATIP Office delivered an hour-long session on ATIP principles and best practices during one MSOP course, with a total of 8 participants. The session provides an overview of the *Access to Information Act* (Duty to Assist), an overview of the *Privacy Act* (Personal Information), and the roles and responsibilities related to privacy management such as the collection of personal information, privacy notices, privacy awareness, and privacy breach management.

Office of the Veterans Ombudsman (OVO) – specific training

In addition to taking part in Departmental ATIP training, a new manager within the OVO received detailed ATIP training, and 19 staff members, within the OVO, attended two refresher training sessions (one in Ottawa and one in Charlottetown) on the *Access to Information Act* and the *Privacy Act* and their responsibilities.

Access to Information and Privacy Act Training Session

During the fiscal year, VAC delivered a full day training session on ATIP principles with a total of 30 participants. The training session provided participants with a more in-depth understanding of the interpretation and the application of the exemption and exclusion provisions of both the *Access to Information Act* and the *Privacy Act*.

11. Policies, Guidelines and Procedures

Current Access to Information policies, guidelines and procedures were maintained and monitored during the 2014–2015 fiscal year for both VAC and the OVO. VAC also developed the following process during this reporting period:

- **ATIP Operational Process for the Declassification of Classified and Protected Documents** – This process provides guidance to ATIP Staff on the declassification of classified and protected records prior to release, through a privacy or access to information request.

12. Complaints and Investigations

In 2014–2015, the Information Commissioner received five VAC-related complaints in addition to the five complaints that were carried over from 2013–2014. VAC had a total of 10 complaints to respond to in the fiscal year.

Of the five complaints received,

- Two were related to denial of access;
- Two were related to deemed refusal; and
- One was related to a refusal to provide information under s. 69 of the ATIA.

Four complaints received a ruling during the reporting period and six have been carried over to 2015–2016. Of the complaints that received a ruling,

- Two were deemed well-founded;
- One was discontinued; and
- One was abandoned in the course of investigation.

Additionally, one early resolution complaint was received in the 2014-2015 fiscal year which alleged that other records should exist with the modification of search criteria. This complaint is ongoing and has been carried forward into the 2015-2016 fiscal year.

No complaints against the OVO were received by the Information Commissioner during the 2014–2015 reporting period.

13. Appeals to the Courts

There were no appeals to the courts for VAC or the OVO during this reporting period.

14. Monitoring – Access to Information Requests

I Veterans Affairs Canada

There is a robust case monitoring system in place. Using reports produced by the case management software tool, the status of requests is reviewed by ATIP Team Leads, Managers and the Director on a weekly basis to monitor upcoming deadlines. In addition, monthly statistical reports indicating incoming and outgoing ATI requests, as well as the number of requests overdue, are prepared for the ATIP Coordinator.

II Office of the Veterans Ombudsman

The Office of the Veterans Ombudsman uses a tracking spreadsheet to monitor processing for access to information requests. This tracking spreadsheet is maintained by the ATIP Coordinator and the ATIP Liaison Officer. Any anticipated issues with processing are escalated to the Director, Corporate Services and Charlottetown Operations.

Annex 1: VAC and OVO Delegation Order – *Access to Information Act* and *Access to Information Regulations*
