

Dear friend,

I would like to express how I feel about your mission. To me, you and your fellow soldiers are the bravest men and women I have ever heard of. There have been many heroes such as Superman, Spiderman, Batman, etc. But not one of them compares to you, brave men and women who are serving our country in the Middle East. You are the true heroes!

I would like to wish you a Merry Christmas, and I hope that you will be home, safe and sound, to celebrate next Christmas with your families and friends.

Your friend Duane
