## Instructions for folding a cruncher paper

### Step One

Print and cut out the paper game.

### Step Two

Place paper cruncher with illustrations facing down.

Fold all four corners together so that they meet in the middle of the paper and press firmly.

### Step Three

Flip over and again fold all four corners together so that they meet in the centre of the paper and give a good press.

### Step Four

Fold in half in one direction, and then in half in the other direction.

### Finish

Stick your thumbs and first two fingers into the four pockets on the bottom of the cruncher and start crunching.
